

HOMEWORK

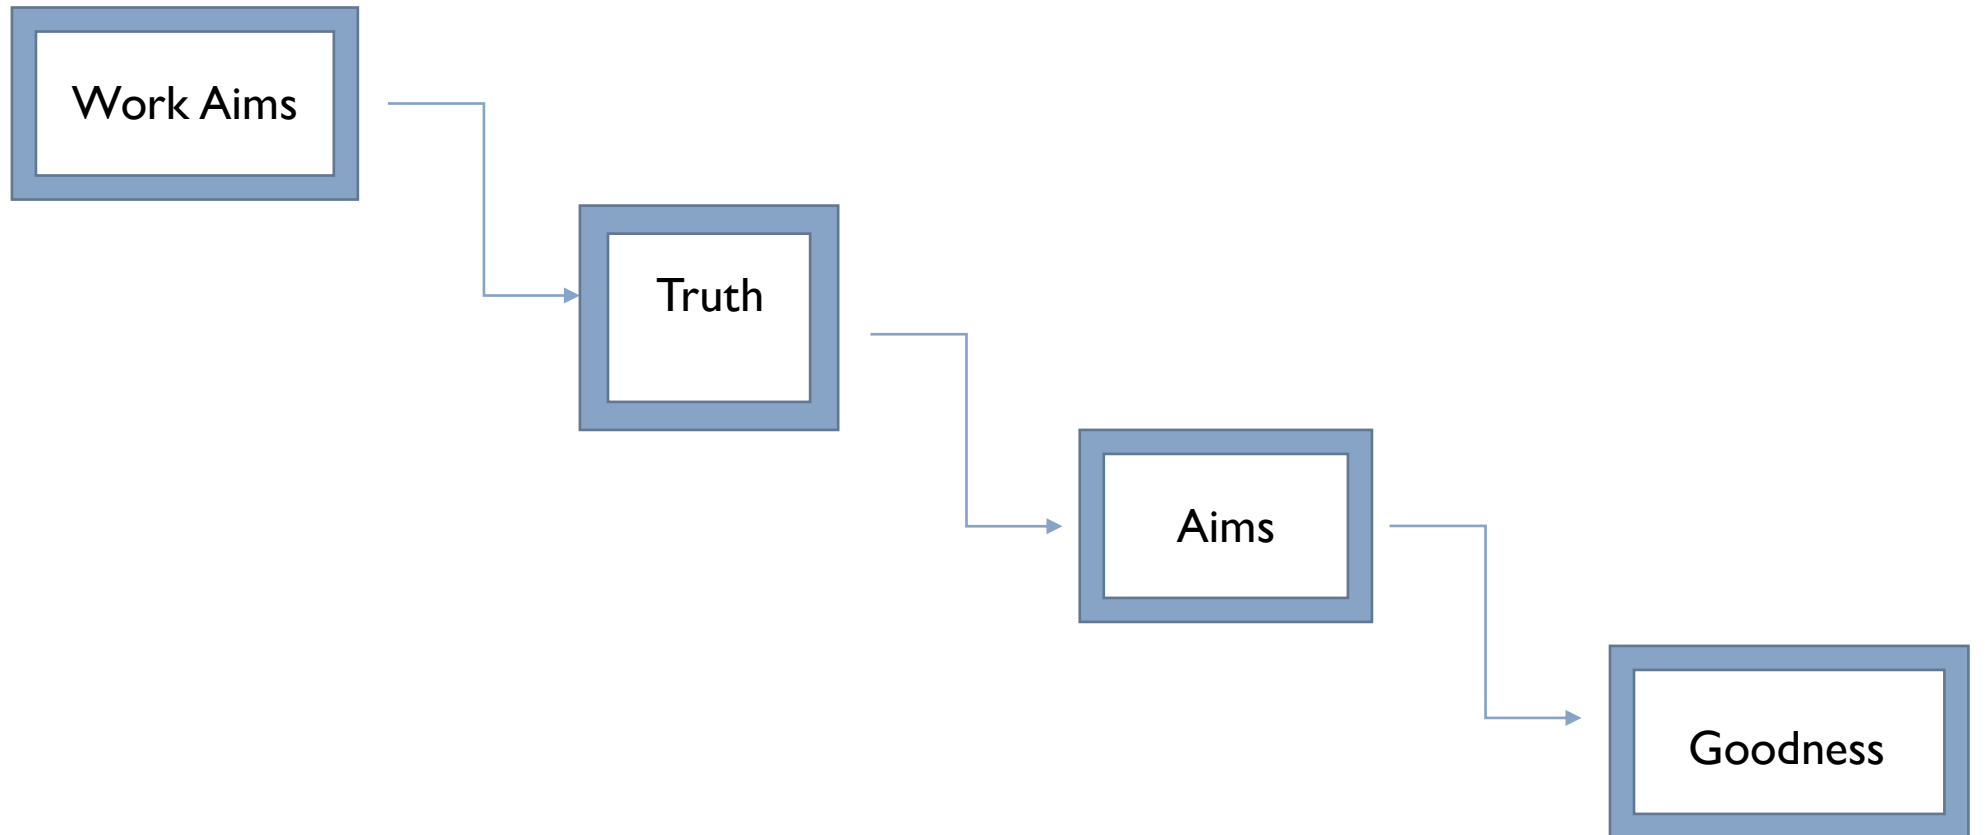

- Watch the *Powers of 10* narrated by Morgan Freeman [HERE](#). It is 9 ½ minutes in duration.
- After reading (perhaps several times) and pondering this message and the one from April 2, 2020, what is your understanding of Conscience (with a capital "C")? What does it mean for you?
- Observe your contradictions: saying one thing and doing another, or expecting something from someone that you would not do yourself.
- There are many words here, perhaps you will simply be drawn to the image. How does it speak to your heart about Conscience?

WHAT IS TRUTH?

- “We can no longer blind ourselves by former self-justification to what we really are, in the light of the new order of Truth we have learned.”
 - Maurice Nicoll, *The New Man*
- When we see what we are, we end the ego’s rule over us and allow our Essence to bloom
- Watchfulness in the Scriptures means knowing what is right
- Truth is of knowledge

HOW TRUTH LEADS US TO GOOD

GOODNESS

GOODNESS IS...

- Only 'good' is awakening
- Goodness fulfills the Truth
- Goodness is of Being
- We must learn Truth, gain knowledge first before we can act from Good to raise our level of being
- Gives rise to mercy

MICAH 6:8

Act justly,

Love mercy,

And walk humbly
with God

HOMework

- Read the Maurice Nicoll's *Commentaries*, "Introductory Note to Chapter on Good and Truth," August 25, 1942, Vol. 1, p. 163.
- Engage the practical ways to live in the presence of the Work. What do you observe?
- **Additional Resources**
- Maurice Nicoll wrote two books of great poetic beauty and truth on the Gospels, *The New Man* which was first published in 1950 and *The Mark*, which he was working on at the time of his death. The latter was compiled and published by his daughter in 1954. They would be valuable additions to one's library of essential resources in the Work.
