“You are the body of Christ...”  
– 1 Corinthians 12.27

“Who is the Hanged Man? Is he a saint, a righteous man, an initiate? He can certainly be regarded as all three, for all three have in common that their will is an organ of heaven, but what he is most especially, what he represents individually, is neither sanctity, nor righteousness, nor initiation, but something which is their synthesis. The Hanged Man is the eternal Job, tried and tested from century to century, who represents humanity towards God and God towards humanity. The Hanged Man is the truly human man and his lot is a truly human one. The Hanged Man is the representative of humanity who is found between two kingdoms— that of this world and that of heaven. For that which is truly human in man and in humanity is the Hanged Man.” - *Meditations on the Tarot*, p. 336
