## God is in all, and all is in God

- God transcendent
- God immanent: present in all creation (but with other influences at work)

But remember ... God is in creation

The Gospel message is that the kingdom of God is “at hand” and “within”

## WISDOM'S CALL

To you, O people, I call out; I was formed long ages ago, at the very beginning, when the world came to be. When there were no watery depths, I was given birth, when there were no springs overflowing with water; before the mountains were settled in place, before the hills, I was given birth, before God made the world or its fields or any of the dust of the earth....

Now then, my children, listen to me; blessed are those who keep my ways. Listen to my instruction and be wise; do not disregard it.

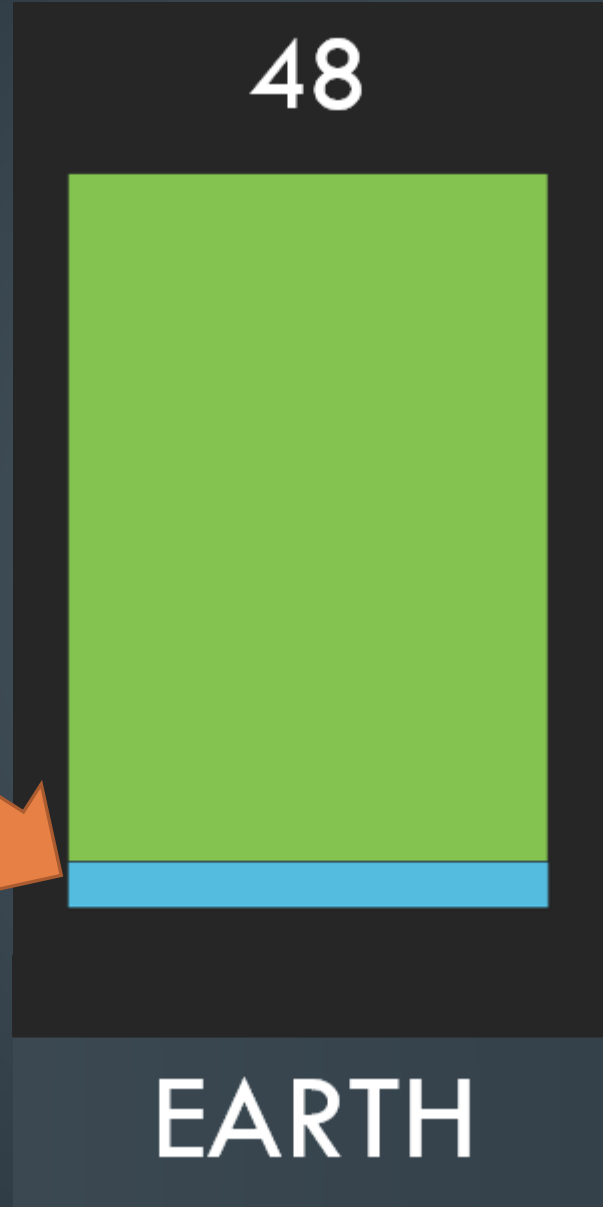

~ Prov. 8

# THE INCARNATION

BERNADETTE  
ROBERTS

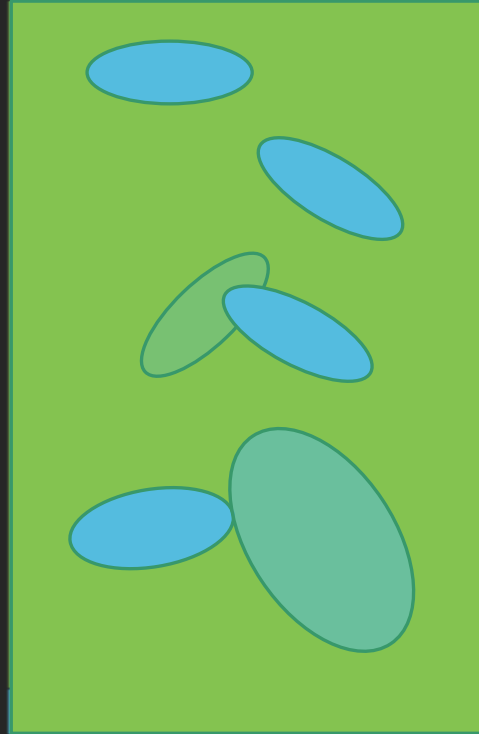

The purpose of the  
Incarnation [of  
Christ] was not to  
reveal God to us,  
but rather to  
reveal our divine  
nature to us.

IF ONLY WE HAVE  
EYES TO SEE...

EARTH

- At any level it's not homogenous.
  - The salinity and temperature varies in the ocean
  - There are places and influences imbued with holiness, higher vibrations
  - And the opposite is true as well
- The Incarnation is about God indwelling: our Divine nature, our integral and baked-in relationship with God, who we (each) are destined to evolve fully into

WE HAVE TO  
SEPARATE THE  
WORLDS FROM  
LAWS

What does this mean for the/our Ascension?

# THE MOVEMENT OF GOD

God is now not only behind us as creator,  
but with us as companion.

*I Am With You Always, Even To The End Of The Age.* Mt. 28:20

- For Teilhard “creative union” is the act of creation as an act of immanent unification - the world is in process of being created by the gradual unification of multiplicity.
- Creation is that which is always coming to be. The God who is in evolution cannot be a God who creates from behind but must be ahead, the prime mover who is Omega.

The evolutionary pressure is the presence of God at every stage, helping, driving, drawing.

We always assumed that God could be located “above,” but now we realize that God is situated “ahead” and “within” as well.
