

## Love Never Fails

The Scale of Love:

- Love is the core energy of the universe
- Love unites
- Everything flows from Love and is created by Love
- Love evolves
- The power of love is God

How we fail Love

Love as the narrow way; the constriction and finitude of self:

- Love is a choice, a movement of will
- judgment and unforgiveness don't fit
- acceptance of everything and everyone as it is

Our Life, One Life, All Life

“This life of yours ... is not merely a piece of the entire existence, but is in a certain sense the whole.”

- quantum pioneer Erwin Schrödinger

“The teeming hordes of living things on Earth, not only in space but in time, are actually all one massive, single organism just as certainly as each one of us (in our own minds) seems to be a distinct human being throughout our limited lifetime ... Each of us is, equally, an independent living human and also just one utterly minute, utterly brief unit of a single vast body that is life on Earth.”

- Buddhist scientist Neil Theise

+

“There is no individual.”

- Bernadette Roberts

**All living beings [past, present and to come] on Earth are a single organism animated by a single consciousness that permeates the universe.**

Behold but One in all things; it is  
the second that leads you astray.  
- Kabir

As waves, foam and bubbles are  
not different from water, so in the  
light of true knowledge, the  
Universe, born of the Self, is not  
different from the Self.  
- Ashtavakra gita

“Non-dual originally is the idea that the separate-self sense disappears and so everything that happens is the direct experience of reality, *without being necessarily a great experience*. It is just being able to lead ordinary life without thinking of oneself. So that when you look at a tree, it is the tree and not you looking at the tree, which is the normal response of our rational intellect.

“So, how do we grow in this?”

- Thomas Keating, “Christian Non-Duality and Unity Consciousness”, *That We May One: Christian Non-Duality*

“Each human being is invited [to] become a New Creature in Christ as cells in the Mystical Body. So, we bring our little holon or our little fractal expression of the divine geometry into ordinary life and everything we do cannot be separated from this Oneness. It dwells in us as a kind of deepest self. And little by little, we are meant to develop the capacity of being conscious of that higher self ...

“In the Christian tradition love is the bottom line: Love God with your whole heart, mind, soul and strength and your neighbor as yourself because the same God is in them and in us. ... [All are] inserted now into the Mystical Body of Christ with a call to be, to serve, and to build-up the Body of Christ in various ways. You’re a living cell in a living body that has the Holy Spirit as the life blood. It fills the whole, every cell and, indeed, every particle of cells. Since we are made up of trillions of them, we are saturated with God.”

- Keating, *That We May One: Christian Non-Duality*

## TK's recipe:

- Oneness is an ontological birthright in and through Christ >> Fractals of God
- Deepening relationship with God >> CP and retreats
- “Effortless total receptivity is the best way to be open to God’s guidance. It is like being a container for God. So, for a container to be filled, what is the best response? Emptiness. Openness. It is very simple, but very hard to do. ... [I]t does not mean you actually do nothing. It means that you are empty of all *will proposals* but open to God’s actions ... emptiness with an openness to becoming more – by God’s will.”

"Through entwining and 'one-ing' our will with the divine will, and seeing through the one 'eye' that we, all together, are the one 'I,' we infuse all other heart centers. Realization and responsiveness to this interchange of heart energy is crucial for our future evolving. ..."

- Kerrie Hide, *Personal Transformation and A New Creation: The Spiritual Revolution of Beatrice Bruteau*

"It demands courage to ... love others into being. Our role at present is to go within and stabilize our own heart, in the one Heart, and intentionally flow in harmony with ... Agape."

- Hide, *Personal Transformation*

"We are being summoned to see from oneness ... This means ... seeing together from abundance, rather than seeing from constraint and scarcity. ... We all have the potential see 'from,' 'with,' 'in,' and 'as' God together and continue incarnating divine life."

- Hide, *Personal Transformation*

*Incarnatio continua*

One-ing practice:

"I am you,  
you are me,  
we both are God's."
